Vacate your home I come to brake your bones
Americas nightmare we at it again
A desert eagle and a black mack 10
And neva know what happend
When we come through them cowards dont want none
They screamin at they murderas but walkin' with no guns
Come with me but dont run and die where your standin'
See im holdin' on this cannon and your life i'm demandin'
Put the pipe to your melon and your brains on the pavement
These niggaz is talkin' think that security gon save them
Nobody gon speak when homicide pay a visit
Look you right in the eyes and tell ya "we don't know who did it"
Corrupted by street corner by shootin' at the police
The feins up all night and the neighbours gettin' no sleep
You betta get used to it you know how we do it
Shady Aftermath Interscope and G-Unit.

(Chorus)

We got action when you don't
Show our faces when you won't

Gain's his masculinity pimpin' we not pretendin'
Drop top glock cock ready for the drama
Pistol's pop cop shot i'm heavy with them laama's
Non-stop make it hot we the top regardless
You can be the hardest
We'll just be the smartest
I warn you not to start us
