Gaba Kulka, I Don't Know

What's pleasing to the eye in the delusion of my sight is not what I find when I reach into the light I have lost my mind

I'm walking through time deluded as the next guy pretending and hoping to find that distant peace of mind

I don't know Who does know There is no Where to go

It's not so simple as I try to wish but then again what is? there is no other worthy quest so on I go
