

# Gabin feat. Edwyn Collins, Mr. Freedom

Tried to call you n got the answer phone  
Now Im glad Im free to spend a weekend on my own

Do the shopping  
Jog in the park  
And theres a lot of housework  
That needs to be done  
Im turning myself into  
A superhero of sorts  
And Im so happy now  
You didnt take my call  
This morning
