Damn papi baby I need it

Ma fav but I'm never going to leave it

You right and I'm always wrong

I shut my mouth lemme see that thong

Why no sence girl you turnin me on

You turnin me on, you turnin me on

Her kiss-heavy metal so I rock and roll

Those lips-so good I'm a about to loose control

She movin it and I'm watchin it I bet no other tietto can handel it

She gonna ride with her boy and I'm a geder done

Hip hop country has never been done

Chevey classic next to the big truck

I wanna be the one your givin your love and

I wanna be the one your kissin and huggin

I wanna be the one you dream of all night

Let me be the one [x2]

We goin out tonight and I'm drinkin

Hit on the rocks got me thinkin

She lookin I know what shes thinkin

Do it in the dark so there ain't no witness

Big dreams real things you and me hey

I wanna make up for the things I neva say

Sed and what I'll do to have you in my bed

Strawberries and whip cream hand feed

I wanna bring it to the top

And make you feel real good

Make love in the club cause I'm so good

We hot we young I'm fresh this is my time I'm a do it the best

Gabriel Antonio rokin your world

I'm a take you to the 80's girl

Gabriel Antonio rokin your world

My heart is aching for that special girl

To come on it and share my world

The love I have is an open door
