## Gabriel Mann, I just wanna be good

| I'm in Controll Got a Bulletproof SoulAnd I'm Full of Self-este | eml Invented Myself With no One's He |
|---|--------------------------------------|
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
|   |                                      |
