

Gabriel Peter, Come Talk to Me

The wretched desert takes its form, the jackal proud and tight
In search of you, I feel my way, though the slowest heaving night
Whatever fear invents, I swear it make no sense

I reach through the border fence

Come down, come talk to me

In the swirling, curling storm of desire unuttered words hold fast

With reptile tongue, the lightning lashes towers built to last

Darkness creeps in like a thief and offers no relief

Why are you shaking like a leaf

Come on, come talk to me

Ah please talk to me

Won't you please talk to me

We can unlock this misery

Come on, come talk to me

[Chorus 1:]

I did not come to steal

This all is so unreal

Can't you show me how you feel now

Come on, come talk to me

Come talk to me [x2]

The earthly power sucks shadowed milk from sleepy tears undone

From nipped skin as smooth as silk the bugles blown as one

You lie there with your eyes half closed like there's no-one there at all

There's a tension pulling on your face

Come on, come talk to me

Won't you please talk to me

If you'd just talk to me

Unblock this misery

If you'd only talk to me

[Chorus 2:]

Don't you ever change your mind

Now your future's so defined

And you act so deaf and blind

(And you act so deaf so blind)

Come on, come talk to me

Come talk to me [x2]

I can imagine the moment

Breaking out through the silence

All the things that we both might say

And the heart it will not be denied

'Til we're both on the same damn side

All the barriers blown away

I said please talk to me

Won't you please come talk to me

Just like it used to be

Come on, come talk to me

I did not come to steal

This all is so unreal

Can you show me how you feel now

Come on, come talk to me

Come talk to me [x2]

I said please talk to me

If you'd just talk to me

Unblock this misery

If you'd only talk to me

[Chorus 2]
