

# Gabriela Anders, Embrace Me

Embrace me, a little longer my sweet.  
Embrace me, and see if you won't ever leave.  
Your goodbyes seem so unfair; so unkind.  
Embrace me for my dreams.

Caress me, make this moment forever last.  
And tell me, "troubled times have past."  
Another day goes by; this longing is all I have...  
Embrace me for my dreams.

Bu-bu-buuuu...

Embrace me, a little longer my sweet.  
Embrace me, and see if you won't ever leave.  
Your goodbyes seem so unfair; so unkind.  
Embrace me for my dreams.

Caress me, make this moment forever last.  
And tell me, "troubled times have past."  
Another day goes by; this longing is all I have...  
Embrace me...for my dreams.
