

Gabriela Cilmi, Awkward Game

Oh What My Luck The Game That I Played
Ill Duck For Cover When You Call Out My Name
And Oh La La La Unravel Your Chain
Cause I Wont Touch Ya, Ya Burning Flame
Youve Seen All Of Me And I Know
That All The Riches Come And Go
Theres Something I Need You To Know
So, Quit Askin Me, No, No More
Cant You See, Tonight I Wont Fall
If You Follow That Same Awkward Game
Theres Nothing To Gain You Will Find, Oh Yeh
Some Day Ill Explain Its Fact, I Did It Again Yeah
When Your Heart Skips A Beat, Silence Be Afraid
Im Loving The Heat Honey I Got The Rest Of Time
And I Feel Oh So Good Like I Should And I Know
Time Is Frozen, Bound And Brocken Promises Are Cheap
So, Quit Askin Me, No, No More
Cant You See, Tonight I Wont Fall
If You Follow That Same Awkward Game
Theres Nothing To Gain You Will Find, Oh Yeh
Some Day Ill Explain Its Fact, I Did It Again Yeah
If You Count All The Stars Youll Find
Youll Loose All Your Sleep
So Dont Wate All Your Time
Pretending You Can
Well Im Taking Back All That Your Stealin
Cause I Dont Nothing Your Dealin
Sorry Not Sleeping Im Leaving
Memory Coming Back Creeping.
