

# Gabriela Cilmi, Cigarettes and Lies

Soon, Soon Youll Sing It Out Loud, You Gotta Stop Before You Go And Let Me Down, Yeah  
Soon, Son Youll Sing It Out Loud, You Gotta Stop Before You Go And Let It Down, Yeah  
And Too Many Times Have You Shut Me Out

Dont You Want To Come And Play  
Ive Seen You Too Many Times A Day

When We Go We Fight To Be Sure

See I Cant Leave You Alone

Maybe, Baby, Maybe, Maybe We Could Go Into The Sun, Every Little Baby Makes Me Feel Ive Wo

I Said Maybe, Baby, Maybe, Maybe We Could Go Into The Sun, Every Little Maybe Makes Me Fee

Soon, Soon Youll Sing It Out Loud, You Gotta Stop Before You Go And Let It Down, Yeah

Soon, Son Youll Sing It Out Loud, You Gotta Stop Before You Go And Let It Down, Yeah

And Too Many Times Have You Shut Me Out

Maybe, Baby, Maybe, Maybe We Could Go Into The Sun, Every Little Baby Makes Me Feel Ive Wo
