

Gabriela Cilmi, Don

I Know Youll Think Its Right, If You See Inside My Mind
Its Summer Everyday And Its Music Through The Night
I Know Youd Think Its Fine, If You Free Your State Of Mind
Some Might Say Its Strange But The Bullets Worth A Bite
Oooh Waiting, Waiting Baby
Oooh Waiting, Waiting Baby
And I, I Dont Wanna Go To Bed Now
I Wanna Be Indiscreet
I Dont Wanna Got To Bed Now, Bed Now, Not Now, No
And I, I Dont Wanna Have To Beg Now, Thats Sellin My Soul Too Cheap
I Dont Wanna Go To Bed Now, Bed Now, Not Now, No
I Feel It In My Feet, And I Feel It In My Bones
My Heels Dug In So Deep, Need A Truck To Drag Me Home
I Know You Feel It Too, Through The Faces In The Crowd
Its Only Me And You And Some Good Stuff Going Down
Oooh Waiting, Waiting Baby
Oooh Waiting, Waiting Baby
You Look Good, Look Good, Your Good Looking Yeah
You Look Good, Good, Good, Your Good Looking Yeah
You Look Good, Look Good, Your Good Looking Yeah
You Look Good, Good, Good, Your Good Looking Yeah
And I, I Dont Wanna Go To Bed Now
I Wanna Be Indiscreet
I Dont Wanna Got To Bed Now, Bed Now Not Now No
And I, I Dont Wanna Have To Beg Now, Thats Sellin My Soul Too Cheap
I Dont Wanna Go To Bed Now, Bed Now, Not Now, No
You Look Good, Look Good, Your Good Looking Yeah
You Look Good, Good, Good, Your Good Looking Yeah
You Look Good, Look Good, Your Good Looking Yeah
You Look Good, Good, Good, Your Good Looking Yeah.
