## Gabriela Cilmi, Echo Beach

I know its out of fashion And a trifle uncool But I cant help it Im a romantic fool Its a habit of mine To watch the sun go down On Echo Beach I watch the sun go down From nine to five I have to spend my time at work My job is very boring - Im an office clerk The only think that helps me pass the time away Is knowing that III be back at Echo Beach some day On some enchanted evening The skys alive with lights Our building in the distance is a surrealistic sight On Echo Beach waves make the only sound On Echo Beach theres not a soul around Fron mine to five I have to spend my time at work My job is very boring - Im an office clerk The only think that helps me pass the time away Is knowing that III be back at Echo Beach some day Echo Beach, far away in time Echo Beach, far away in time
