

# Gabrielle Aplin, Like You Say You Do

you're good at talking  
you're good at talking  
depends on who you're talking-to  
cause I heard your friend say  
that I am the best thing  
that could ever happened to you

maybe I am blind  
losing my mind  
but I just can't see it  
the way you say you're feeling  
I don't want your words  
give me a sign  
just act like you mean it  
cause I am only gonna tell you one more time

if you need me like you need breathe  
then love me like you say you do  
cause I could do without all the things you talk about  
show me in the way you ove  
cause you've go the whole belving in something  
that I don't even know is true  
how could I know it?  
so if you need me like you need to breathe  
then love me like you say you do  
like you say yo do

I am good at waiting but  
I am bored of waiting  
to dfeel the fire when we touch  
call me obsessive  
but I am second guessing  
I could ever be enoug

maybe I am blind  
losing my mind  
but I just can't see it  
the way you say you're feeling  
I don't want your words  
give me a sign  
just act like you mean it  
cause I am only gonna tell you one more time
