

# Gabrielle, I Live In Hope

You don't know what you do to me  
Sometimes I find  
You knock me off my feet  
Oh how I wish  
That we could be alone  
Oh how I wish to me  
That you belonged  
I often watch you  
When you are least aware  
Even though I know  
It's really rude to stare  
Sometimes I find  
I just can't help myself  
'Cos I want you  
Want nobody else  
My heart skips a beat  
Whenever you are near  
And I just don't know  
What I'm gonna do  
Oh how I wish  
That you were here  
Oh how I wish you  
That you were near  
Holding me tight  
Spending more time  
Wish you were mine  
My thoughts revealed  
I'm showing all the signs  
When we're face to face  
I can't look in your eyes  
Sometimes I find  
I just can't help myself  
'Cos I want you  
Want nobody else  
My heart skips a beat  
Whenever you are near  
And I just don't know  
What I'm gonna do  
Oh how I wish  
That you were here  
Oh I wish  
That you were near  
Holding me tight  
Spending some time  
Wish you were mine  
My heart skips a beat  
Whenever you are near  
And I just don't know  
What I'm gonna do
