

Gabrielle, If You Love Me

how can I love you when you're not around
you want it all and then you let me down
you made me promises, you know you never keep
how can I ever show you loyalty
why is it that you always make a fuss
can it be that you don't care about us
how can I love you when I, don't know where to start
how can I love you when you break my heart
chourse:

if you love me let me know, if you don't want me tell me so
'cause i, won't be waiting for you, don't wanna waste my time,
just let me know so I can live my life
i've always given you the best of me
were you so blind that you couldn't see
all the things that, you have put me through
you knew that I would never do to you, no
I think of all the days and nights we share, nights we share
and start to wonder if you ever really cared
how can I love you when I, don't know where I stand,
just let me know so I can make my plans

(chorus)

if you love me let me know, if you don't want me tell me so
'cause this, can't be love when you're hurting me this much,
if this is love I don't wanna know
why do you keep messing with my heart and mind (i really need to know),
something that you seem to do most of the time (messing with my mind)
can't you tell how much all this is hurting me, or are you just so blind to see
the tears that fill my eyes, oh baby

(chorus)

live my life, if you love me, let me know
If you don't want me, tell me so, 'cause this can't be love,
when you're hurting me this much
if this is love I don't wanna know x3
