

# Gabrielle, When A Woman

Do, do, do, do, do, do, de:

Early in the morning  
My friends already calling  
Ready for a party  
They're just getting started  
Wouldn't miss it for a moment  
My heart's already stolen  
Heard he's gonna be there  
To miss it wouldn't be fair  
No, no, no, no, no, no

When a woman wants her man  
She'll catch him any way she can  
I'm telling you I got a masterplan  
I'm gonna get you boy  
Make you my man

Do, do, do, do, do, do, de  
Do, do, do, do, do, do, de  
Do, do, do, do, do, do, de  
Do, do, do, do, do, do, de

Driving down the highway  
Roberta, Donnie Hathaway, yeah yeah  
Playing on the airwaves  
As we're making our way  
We pull up to a red light  
Check the mirror for the last time (for the last time)  
I know I'm looking just fine and I feel all right  
'Cos I know I'm gonna party tonight, yeah, baby

When a woman wants her man :  
Do, do, do, do, do, do, de

Walking through the party  
With all my girls behind me, yeah, yeah  
Suddenly I saw him  
My heart it started jumping (and jumping and jumping and jumping)  
Then he led me to the dancefloor  
Then he held me closely (so closely, baby)  
Then he whispered softly (ooh)  
Will you be my one and only  
My only girl
