&lt;/lyrics&gt;

A silver dream, the sweetly spun sound of the rain  
Who's that standing behind you?  
Once more, close your eyes so we can meet

My burned out heart is bound in chains  
My torn wounds are embraced by the sun  
The light and shadows piercing my body, watching...

&quot;Still, you can't change... so, close your eyes&quot;

I can't wait until you find your way here  
Don't stop, the rain will tell you when it's over  
Don't cry, until the wishes you've drawn out have been granted

&quot;Still, I can't let go... so, hold me tight&quot;

&quot;That wish won't be granted... so, raise your hands&quot;

Burned by the sun break my body  
Pain and separation kill time  
Yearning for the sun entrust my body  
Embraced by loneliness kill me
