

Gadjits, Party Girl

She performs a part
Straight from the heart
Like shes being graded
It's 8 o' clock
right on the dot
but shes already five past hated
boys look at my butt
No, Im not a slut but Ill fuck you in the bathroom
Just gratify my image
In a no end lover's scrimmage
of a party flower in bloom

Hey partygirl, show me how to move yeah
Shake!
Hey partygirl, show me how to move yeah
Shake!
Hey partygirl, yo partygirl your did get no attention
Shake!
Hey partygirl, you've made it with too many guys to mention
She thinks every guy should see her
And every girl wants to be her
When she makes an entrance in a room
In the flatbed of a truck
Just one more stupid fuck
To clear away her gloom
And perhaps a few more beers
And she will not hear the cheers from the older guys in school
Hey babe, give it a rest
I've heard that you're the best
But it doesn't make me think you're cool

Hey partygirl, show me how to move yeah
Shake!
Hey partygirl, show me how to move yeah
Shake!
Hey partygirl, yo partygirl you did get no attention
Shake!
Hey partygirl, you've made it with too many guys to mention

Hey partygirl, show me how to move yeah
Shake!
Hey partygirl, show me how to move yeah
Shake!
Hey partygirl, yo partygirl you did get no attention
Shake!
Hey partygirl, you may have been with too many guys to mention
Shake!
