

# Gadjits, Sassy Induced Bulimia

She was having trouble in school  
Too caught up in being cool  
No boyfriend, just Sassy Magazine  
Study up on the latest trends  
Borrow back issues from your friends  
When someone slicker-than-you runs your life for you  
It's difficult to keep up

(chorus)

She got Sassy induced bulimia  
Gaggin' herself for no other reason than to look just like a  
Sassy cover girl.  
Sassy induced bulimia  
She will gag and spit and puke  
and bleed her way into a perfect little world.

Mom and Dad had to lock her in  
IV tubes beneath the chin  
Cause she was so convinced that she was fat  
Why did this pretty little queen have to choose that magazine  
Over all the others she could've looked at?...

(chorus)
