

Gadjits, Sh'bop

When a girl runs away.
And the train comes over the tracks.
She knows I hate lying.
And she knows I will be coming back.
Come on girl now don't be a square.
Just look me in the eyes
and tell me you care.
Look me in the face
and say that you love him.
I know you were with him but you were thinking of me.

She knows I ain't no jerk
She knows I hardly fool around at all
'cause loving her is mostly work
Come on girl now don't be a square
Just look me in the eyes
And tell me you care
Look me in the face
And say that you love him
I know you were with him but you were thinking of me

Now Girl, don't you be no square.
Now you look me in the eyes.
And tell me that you care now.
Look me in the face and say that you love me.
I know you were with him.
But you were thinking of me.
