

# Gadjits, Skinhead Girl

there she goes  
swinging down the high street, yeah  
hair cut short  
boots and jeans

she looked at me and smiled  
i know that smile's for me  
she was my height my weight my size  
she wore braces and blue jeans  
she was my skinhead girl (x4)

i made up my mind  
i'm gonna be courageous, yeah  
her hand in my hand  
touch her gentle

she looked at me and smiled  
i know that smile's for me  
she was my height my weight my size  
she wore braces and blue jeans  
she was my skinhead girl (x4)
