

# Gadjits, Thinkin' 'Bout You

Lately in my life baby  
I have not thought too much  
So I begin today cause I love you so much  
I couldn't hang on  
Waiting for the end to come  
So be my baby forever and be my number one

I'm thinkin' about you  
Are things gonna change between me and you?  
If this is true I don't know what I will do  
'Cause I can't stand the thought of not loving you.

Girl, let me tell you I don't want to scare you away  
You know I can promise I'll come back and nothing will change  
I need to know if you're in for the long haul  
'Cause I don't wanna come home to nothing at all

And when I see you looking at me  
I know that this world is as good as it can be  
You know that I think about you constantly  
And when the day is all done and over  
You know I'm wishin' that you would come over  
Because I'm missing the time that we spent before
