

# Gainsae, Lost

She walks away  
And I can't help but think about her  
She makes my day  
And I'm lost without her

I walked in to see that look upon your face  
You looked so damn good in lace  
It's a sweet sweet smile  
Yeah it'll all turn out just fine

And everything you thought you had  
Everything you swear by and all that you live by  
It all means nothing all means something  
Without her, without you by my side

I'm lost inside your eyes  
Lost inside your smile  
Lost everything between  
What's here and reality  
And I don't wanna find my way home

I'm home with you  
I'm here with you by my side  
I don't want to hide  
I'm all alone without you
