

Gaither Vocal Band, I Do Believe

some say faith
is just believing
others say its self decieving
vinning, childish dreams
to get us through
deep inside me
theres a yearning
for true wisdom
not just learning
I'd trade all my clever questions
for one answer that is true

I do believe
You are the one
the home I've longed to find
my only hope
God's only son
I do believe
I touch I see
that all along
You've longed to be
my lord
my god

Lord you know, I need some answers
questions eat at me like cancer
make me once again, a simple child
help me take the risk of losing
lose it all to find in choosing
to believe You are the answer
earth and heaven reconciled

I do believe
You are the one
the home I've longed to find
my only hope
God's only son
I do believe
I touch I see
that all along
You've longed to be
I do believe
You are the one
the home I've longed to find
my only hope
God's only son
I do believe
I touch, I see
that all along You've longed to be
my Lord
my GOD
my Lord
my GOD
