Galactic Cowboys, Evil Twin

It's not me messin' with your life Givin' you the trouble and strife. Blame it on my evil twin...

Cheatin' at the game Not responsible for your pain. Blame it on my evil twin.

Well, I know he's got my name But I swear we're not the same. Blame it on my evil twin...

Spreading the disease I'm just a product of society. Blame it on my evil twin.

I learned it from T.V. You blame it your parents or police. Blame it on my evil twin.
