

# Galactic Cowboys, How Does It Feel?

We learned to regret it  
And we're tryin' to forget it  
Everyday that we can.

Denied all the credit  
Was it our fault 'cause we let it  
Slip away through our hands?

How does it feel to be so strong?  
How does it feel?  
How does it feel to be alone?  
How does it feel?

We were king of the planet  
And we took it all for granted  
Who deserves all the thanks?

Like idiots trusted  
Feel asleep and woke up busted  
On the way to the bank.
