

Galactic Cowboys, Ranch On Mars (Reprise)

No more talking time to land...galactic cowboys
You give me hope you understand...galactic cowboys
Roped my media's lasso...galactic cowboys
They all want a piece of you...galactic cowboys

Someday you'll live among the stars, maybe own a ranch on Mars
Galactic cowboys never age! (& I repeat)
Someday you'll live among the stars, maybe own a ranch on Mars
Galactic cowboys never age!
