

# Galactic Cowboys, Ranch On Mars (Reprise)

No more talking time to land...galactic cowboys  
You give me hope you understand...galactic cowboys  
Roped my media's lasso...galactic cowboys  
They all want a piece of you...galactic cowboys

Someday you'll live among the stars, maybe own a ranch on Mars  
Galactic cowboys never age! (& I repeat)  
Someday you'll live among the stars, maybe own a ranch on Mars  
Galactic cowboys never age!
