

# Galactic Cowboys, Where Do I Sign?

Hello - Fellows - I know what you need  
I'm your - savior - I'm the hand that feeds

Hey man, I know I can trust you  
Come on Let's stop wasting time  
and where do I sign?

Have faith - there's no way - you'll get through the door  
Believe - you're naive - But I've been there before

Hey man, I know I can trust you  
I know I won't get burned this time  
and where do I sign?

and we'll do things your way  
and we're learnin' the hard way.
