

# Galantis, WE ARE BORN TO PLAY (ft. Charli XCX)

I wanna burn like fire tonight  
I feel my heart beat and jumping twice  
feel like red balloons  
and I could stay right here for life

this place must be right  
days and nights caught by the feeling  
love the right  
now I am believer  
live a life  
whit super kind of feeling  
jump above the right tonight

Oooooe  
WE ARE BORN TO PLAY  
Oooooe  
Baby, WE ARE BORN TO PLAY

this place must be right  
days and nights caught by the feeling  
love the right  
now I am believer  
live a life  
whit super kind of feeling  
jump above the right tonight

Oooooe  
WE ARE BORN TO PLAY  
Oooooe  
Baby, WE ARE BORN TO PLAY
