Gallant, Sweet Insomnia (feat. 6LACK)

two shivers for a cold introduction that mix of every mental condition you want pull focus to greater dependence on a psychotic crash girl you deserve that

you wish I was sleeping and wish I was satisfied but

sweet insomnia you make it hard for me to sleep by myself myself sweet insomnia you make it hard for me to know myself

[6lack:] (...)

sweet insomnia you make it hard for me to sleep by myself myself sweet insomnia you make it hard for me to know myself
