

Gamma Ray, Long Live Rock'N'Roll

Music Lyrics: Ken Hensley

I see you running, don't know what you're running from

Nobody's comin', what'd you do that was so wrong.

Look back and turn back, look at yourself.

Don't be afraid, just look at yourself.

If you need assistance, or if all you need is love.

There's no point in hidin', tell me what you're frightened of.

You got a friend, just look at yourself.

Don't be afraid, just look at yourself.
