

Gandharvas, Two At A Table Set For Three

Give me the time
I got no reservations. Go on.
Disclose your crime
Say it with conviction! Go on.
Clean your plate
It's time to clear the slate.
I hope you're up to it
'Cause it ain't gonna wait
When to deliberate two long is two late. Always.
Pour out the wine
Let's spill some libations! Go on.
Drink a toast to a ghost.
Drink a toast to the most.
Now!
