

Gang Starr, Full Clip Remix

(feat. Sticky Fingaz)

[DJ Premier]

Big L rest in peace

[Intro: Scratched]

Do you wanna mess with this?

I'm one of the best yet

We've got it

You can feel the realness

In this business of rep

Go ahead

[Guru]

Fresh out the gate again, time to raise the stakes again

Fatten my plate again, y'all cats know we always play to win

G-A-N-G to the Starr son

Haters took this shit too far son

So that's all for you, I'm whipping out your whole team

I'll splatter your dreams with lyrics to shatter your schemes

The badder you seem, the more lies you tell

The more lies you sell then by surprise you fell

Into my deathtrap, right into my clutches

Stupid, you know the God must bless every single mic he touches

I've suffered, just so I could return harder

Wanna be the shit starter? Fuck around, make you a martyr

I make ya famous, turn around and make ya nameless

Cause you never understood to me how vital this rap game is

Save it and hold that, you catch a hot one

Rhymes chase a fake nigga down soon as I spot one

[Chorus: Scratched]

[Guru]

So if you stand in my way, I'm gonna have to spray

Learn that if you come against me son your gonna have to pray

Since back in the day I held The Weight and kept my head up

The wanna see the God catch an L it's all a Set Up

I give no man or thing power over me

Why these niggaz so jealous and lookin sour over me?

I'm bolder G I'm like impossible to stop

I'm like that nigga in the ring with you, impossible to drop

I'm like two magazine fully loaded to your one

Plus I ain't gonna quit spittin, till your done

Plus, more than over, I got my whole shit together

More than a decade of hits, that'll live forever

Catchin rep off my name? Your bound to fry

Know how many niggaz that I know, is done to die

We never fail, and we ain't never been frail

You niggaz talk crime, but you scared of jail

[Chorus]

[Guru]

Attackin like a slick Apache lyrics are trigger happy
Pullin back your wig piece just for the way your lookin at me
Talk back, blaow! I hit you up right now
I don't know why so many of y'all wanna be thugs anyhow
Face the consequence, of your childish nonsense
I could make your head explode just by my lyrical content
Get you in my scope and metaphorically snipe ya
I never liked ya, I gas that ass and then ignite ya
The flame thrower, make your peops afraid to know ya
How many times I told ya play your position small soldier
My heart is colder, makes me wanna resort to violence
Stop beatin me in the head son, nah, I'm not buyin it
I'm ready to blast, ready to surpass and harass
I'm ready to flip, yeah I'm ready to get with all that cash
I hold my chrome steady, with a tight grip
So watch your dome already cause this one might hit

[Sticky Fingaz]

It's time to let this shit get started
Get to the back if you chicken hearted
It's Sticky Fingaz nigga, I'm fuckin retarded
Niggaz schemin on you under your nose
Its funny how old friends turn into new foes
Battlin you? that would be a waste of breath
I can see you now cowerin in the face of death
Had your girl on her knees, give her a taste of life
Yo bitch rather be my whore than your wife
Im already in hell, shit was worse than this
Im cursed with gifts, you heard the myths
Now hear the truth, I tear the roof
We hear the wolves, I'm rippin shit ridiculous
Your clip be hiss your rap is piss
The gat don't miss with platnium hits
Nigga who you think fuckin wit this?
I mean how many whips I'ma have to cop?
How many albums I'ma have to drop?
How many bitches I'ma have to fuck?
And how many guns I'ma have to bust?
How many hearts I'ma have to break?
How much money I'ma have to make?
How many lives I'ma have to take?
To let y'all niggaz know I'll send you straight to your wake
