(Guru)

The emotions that one goes thourgh, over a loss of a loved one

Or friend then, knowing the cost of rebuilding and carrying on

It gets so damn hard in this modern day Babylon

And disease runs rampant, so many men carry arm

So many have a lonely painful road to travel on

Mothers losing sons, improper use of guns

Children go astray because their parents were abusive ones

I used to run with the illest guys

Thourgh the realest eyes

I seen the realest and the illest die

The cycle continues, so many times the good ones

The young ones

So many misunderstood ones

Remembering their faces and voices

And when the wise man said

Life is full of choices

Some get caught up, others are innocent victims

All I know is they were close to us, and that we miss them

* I'm not sure about any of these names *
