"Y'all cats know we always play to win" -&gt; Guru  
"Players get your pay up"

(Verse One: Guru)

For my respect, I just might have to shut you down  
Hang your punk ass from a limb, they'll have to cut you down  
See I'm tired of you faggots kickin dirt on my name  
While you rap clone phonies only hurtin the game  
I'm too persistant, plus I flow too vicious  
Bout to expose you hoes, this shit is too twisted  
Rappers be actin, like they rich or somethin  
When they get robbed like a herb, that's what they get for frontin  
I'm in the top ten, one of the best of all time  
Been known to drop men - who CARES if the rest of y'all rhyme?  
You're mediocre son, you're barely average kid  
Your style's Chi-Chi, wanna see me crack yo' cabbage kid?  
From the hood to the corporate, give up your goods and forfeit  
This is George Foreman style, watch me cook this raw shit  
More chips, watch us rake 'em in  
And y'all cats know we always play to win

(Verse Two: Guru)

I'm hot so they're feelin me, you're not so you're killin me  
You're hatin on the low, tried to block my soliloquy  
While you spread rumors, I'ma dead you junior  
Have your mind blown, poundin your dome like head tumors  
Family tradition when I'm randomly spittin  
And girls love my voice, they say it's handsomely different  
I never won awards, no Grammys and things  
Back in the days did sticks, made niggaz hand me they rings  
What goes around comes around, they tried me later  
But I survived all the thugged out, grimey capers  
My concepts caused more panic than bomb threats  
Don't take me for granted because I'm calm and shit  
Cause when I FLIP, I'ma take over the ship  
Controllin this grip with one hand holdin my dick  
And you try to counter but you're way too late again  
See y'all cats know we always play to win

(Verse Three: Guru)

It's the God Universal, Ruler Universal  
I'm still goin strong in this game, and you should learn to  
R-E-S, P-E-C-T  
Or you get f\*\*ked up, be-lieve you me  
And I ain't the one to be, startin the violence  
I'm just the one to be, sparkin in silence  
For years I ran with some of the greatest men  
And y'all cats know we always play to win
