Feel so good I feel so fine  
Love that little lady always on my mind  
She gives me loving every night and day  
Never gonna leave her, never going away  
Someone to love me  
You know she makes me feel alright  
Someone to need me  
Love me every single night  
Feel so happy since I met that girl  
When we're making love it's something out of this world  
Feels so good to know that she's all mine  
Going to love that woman 'til the end of time  
Someone to live for  
Love me 'til the end of time  
She makes me feel happy  
Good to know that she's all mine  
I am the world she hides  
The universal secret of all time  
Destruction of the empty spaces  
Is my one and only crime  
I lived a thousand times  
I found out what it means to be believed  
The thoughts, the images the unborn child that never was conceived  
You gotta believe me  
Hey, I'm talkin to you  
Well I know it's hard for you to know the reason why  
And I know you'll understand when it is time to die  
I don't believe the life you have will be the only one  
You have to let your body sleep to let your soul live on  
Feel so happy since I met that girl  
When we're making love it's something out of this world  
Feels so good to know that she's all mine  
Going to love that woman 'til the end of time  
Someone to live for  
Love me 'til the end of time  
She makes me feel happy  
Good to know that she's all mine
