

Garbage, Beautiful

If i was beautiful like you
all the things I would do
Those not so blessed
would be crying out murder
And I'd just laugh
And get away with it too
Like you do

If i was beautiful like you
I would never be at fault
I would walk in the rain
between the raindrops
Bringing traffic to a halt

But that can never be
that will never, never be
Coz i'm not beautiful like you
I'm beautiful like me

If i was beautiful like you
I'd be quick to assume
They'd do anything to please me
At night I see their reaction
when you walk into the room

But that can never be
that will never, never be
'cause i'm not beautiful like you
I'm beautiful like me

Beautiful
beautiful like me
like me
like me

If i was beautiful like you
I'd have so many friends
Always fighting for my time
to be next in line
So if i hurt one
i wouldnt have to make amends

That can never be
that will never never be
Coz i'm not beautiful like you
i'm not beautiful like you
i'm not beautiful like you
I'm beautiful like me

beautiful like me
beautiful like me
I'm beautiful like me
I'm beautiful like me
