

Garbage, Crushingly Close

feat. Nine Inch Nails

Shirley Manson :

I would die for you

I would die for you

I've been dying just to feel you by my side

(Reznor: You let me violate you)

To know that you're mine

(Reznor: You let me desecrate you)

I will cry for you

I will cry for you

I will wash away your pain with all my tears

(Reznor: You let me penetrate you)

And drown your fears

(Reznor: You let me complicate you)

Trent Reznor:

Help me

I've broke apart my insides

Help me

I've got no soul to sell

Help me

The only thing that works for me

Help me get away from myself

I wanna-

Shirley Manson :

I will pray for you

I will pray for you

I will sell my soul for something pure and true

(Reznor: You can have my isolation)

Someone like you

(Reznor: You can have the hate that it brings)

Shirley Manson:

See your face every place that I walk in

Hear your voice every time that I'm talking

You will believe in me

And I will never be ignored

Trent Reznor:

Help me

Tear down my reason

Help me

It's your sex I can smell

Help me

You make me perfect

Help me become somebody else

I wanna-

Shirley Manson:

I will burn for you

Feel pain for you

I will twist the knife and bleed my aching heart

(Reznor: You can have my absence of faith)

And tear it apart

(Reznor: You can have my everything)

Shirley Manson:

I will lie for you

Beg and steal for you

I will crawl on hands and knees until you see

(Reznor: I wanna fuck you like an animal)

You're just like me
(Reznor: I wanna fuck you like animal)

Violate all the love that I'm missing
Blow away all the pain that I'm living
You will believe in me
(Reznor: I wanna fuck you like an animal)
And I can never be ignored

Trent Reznor:
I wanna fuck you like an animal
My whole existence is flawed
You get me closer to God

Shirley Manson:
I would die for you
(Reznor: I wanna fuck you like an animal)
I would kill for you
(Trent: I wanna feel you from the inside)
I would steal for you
(Reznor: I wanna fuck you like an animal)
I'd do time for you
(Reznor: My whole existence is flawed)
I would wait for you
(Reznor: I wanna fuck you like an animal)
I'd make room for you
(Reznor: My whole existence is flawed)
I'd sail ships for you
(Reznor: I wanna fuck you like an animal)
To get close to you
(Reznor: My whole existence is flawed)
To be part of you
(Reznor: I wanna fuck you like an animal)
Cause I believe in you
(Reznor: I wanna fuck you like an animal)
I believe in you
(Reznor: I wanna fuck you like an animal)
I would die for you
(Reznor: I wanna fuck you like an animal)

Trent Reznor:
I wanna fuck you like an animal
I wanna fuck you like an animal
I wanna fuck you like an animal
