

Garbage, Sex Is Not The Enemy

No evolution
Sometimes it depresses me
The same old same
We keep repeating history
The institution curses curiosity
It's our conviction
Sex is not the enemy

A revolution
Is the solution
A revolution
Is the solution

I don't feel guilty
No matter what they're telling me
I won't feel dirty and buy into their misery
I won't be shamed cause I believe that love is free
It fuels the heart and sex is not my enemy

A revolution
Is the solution
A revolution
Is the solution

True love is like gold
There's not enough to go around
But then there's god and doesn't god love everyone?
Give me a choice
Give me a chance to turn the key and find my voice
Sex is not the enemy

A revolution
Is the solution
A revolution
Is the solution
Sex is not the enemy
