

# Garbage, Supernatural

Built a king on compliments,  
Charisma, and advertisements.  
Still they see him shine ephemeral.  
It ain't supernatural.

Out of body experience.  
I flew 'round the little room once on  
Intravenous demerol.  
It ain't supernatural.  
It ain't... it ain't supernatural.  
Supernatural, oh, maybe.

Sudden smell, a certain view  
Sparks a case of deja vu.  
It ain't despicable, no.  
It ain't supernatural.  
It ain't... it ain't supernatural.  
Supernatural, oh, maybe.  
Oh, maybe.  
Oh, maybe, baby...
