

Garbage, The World Is Not Enough

I know how to hurt
I know how to heal
I know what to show
And what to conceal

I know when to talk
And I know when to touch
No one ever died
From wanting too much

The world is not enough
But it is such a perfect place to start, my love
And if you're strong enough
Together we can take the world apart, my love

People like us
Know how to survive
There's no point in living
If you can't feel alive

We know when to kiss
And we know when to kill
If we can't have it all
Then nobody will

The world is not enough
But it is such a perfect place to start, my love
And if you're strong enough
Together we can take the world apart, my love

I feel safe
I feel scared
I feel ready
And yet unprepared

The world is not enough
But it is such a perfect place to start, my love
And if you're strong enough
Together we can take the world apart, my love

The world is not enough
The world is not enough
Nowhere near enough
The world is not enough
