

Gardenian, Sonic Death Monkey

Another giant step for mankind
Altering with human wombs
Setting their own samples
Of who they want you to be
Their soul purpose
Of making your flesh their own
Heart and soul manufactured
For their own

Another giant step for mankind
Altering with human wombs
Setting their own samples
Of who they want you to be
Their soul purpose
Of making your flesh their own
Heart and soul manufactured
To control everyone

I am you and you are me
My sonic death monkey
Dancing together as we were free
My sonic death monkey

Resistant!
There is always one more of me
Heart and soul manufactured
For their own
There is always one more of me
They can make you their dancer
Resistant!
There is always one more of me
Heart and soul manufactured
They can make you their dancer
For their devilish feast
