

# Gareth Gates, Absolutely

Everybody Knows That You're A Star  
Gucci Shoes Beluga Caviar  
They All Know Exactly Who You Are  
And They All Wanna Get Next To You

I See Your Face In Every Magazine  
Staring Out From Every Movie Screen  
Your Body Is The Best Theres Ever Been  
But They'll Never Get Next To You

(Chorus)  
And I've Got Your Pictures All Over The Wall  
But I've Got The Greatest Secret Of All  
Because Your Absolutely Mine  
Thats Why Im Lyin' Here Next To You  
Absolutely Fine  
Thats Why They Fall In Love With You

No-One Knows The Things You Do To Me  
What They Dream About I Get For Free  
I'm Livin' Everybodys Fantasy  
And They All Wanna Get Next To You

And The Reason For Their Breaking Hearts  
Is That You Don't Even Know Who They Are  
Everybody Knows That You're A Star  
And They All Wanna Get Next To You  
(They Wanna Get Next To You They Wanna Get Next To You)
