

# Gareth Gates, Downtown

Is the temperature hot enough for you  
tonight? Is it making your dreams  
suggest things you can't fight?  
if you call me one time, two time  
anytime that you want  
Got a certain, sure-fire remedy to get  
you off

So take my hand and rock with me  
To the sweetest symphony  
Your body pleads to feel the way it  
feels. Just trust me more than any  
heart you saw. I'll give you all the love  
you're waiting for

Chorus  
Now baby you can dance my way  
downtown. Little skin on skin sure  
can be found. Maybe you are all alone  
Can't do it on your own  
I'll show heaven at the speed  
of sound

Now baby if you come, come on  
come on come on downtown  
Come, come on come on downtown

Is the temperature hot enough for you  
to play? Is it making your dreams  
suggest things you can't say?  
If you ask me one time, two time  
anytime that you like  
Got the perfect way to alleviate your  
stress tonight

So take my hand and rock with me  
To the sweetest symphony  
Your body pleads to feel the way it  
feels. Just trust me more than any  
heart you saw. I'll give you all the love  
you're waiting for

Chorus x2

So take my hand and rock with me  
To the sweetest symphony  
Your body pleads to feel the way it  
feels. Just trust me more than any  
heart you saw. I'll give you all the love  
you're waiting for

Chorus x2
