

# Gareth Gates, Lies

i waited in the summer rain  
I waited for my teardrops falling  
You never came along  
You had to do me wrong again  
You promised me you gave your words  
that this time around would be all different  
My heart has had enough  
I'm really not that tough inside  
Baby

Chorus:

Lies

You have me had your lies  
cause look into my eyes  
can't break my heart with honesty instead  
Cause I don't wanna cry  
I'd rather say goodbye  
Bye, bye  
I can't take another lie

They told me not to trust in you  
And finally I do believe them  
Say who's the other man  
You do the best you can to hide  
Tell me  
Does he think you are as beautiful as I did  
The very first time I laid my eyes on you  
I gave my heart to you  
Again and again and again, baby

Chorus

Another night, another day  
How can I go on this time without you  
What can I do, what can I say  
Say is there any other way
