

# Gareth Gates, Too Soon To Say Goodbye

So many times  
I've played around  
Moving from one to another  
I've been a fool, yeh,  
I've been unkind  
But being with made me discover  
That trust and honesty  
Is all i really need  
And i should never let it slip awys  
(Coz girl)

Seeing you shine by the candlelight  
got me up til it feels so right  
so good that baby i  
i don't want this night to be over  
stay right here, oh, please don't leave  
lets star in our own love scene  
Then chill and spend the night  
it's too soon to say goodbye  
It's too soon to say goodbye

Darling, i know  
you're type who goes slow  
and trust when i say  
i don't mean to rush  
but give it some thought  
if you're all alone  
you're just gonna wish  
That i was there too  
imagine you and me  
as close as two can be  
we can let it flow for eternity, girl

Seeing you shine by the candlelight  
got me up til it feels so right  
so good that baby i  
i don't want this night to be over  
stay right here, oh, please don't leave  
lets star in our own love scene  
Then chill and spend the night  
it's too soon to say goodbye  
It's too soon to say goodbye

Darling, i know  
you're type who goes slow  
and trust when i say  
Trust when i say

Seeing you shine by the candlelight  
got me up til it feels so right  
so good that baby i  
i don't want this night to be over  
stay right here, oh, please don't leave  
lets star in our own love scene  
Then chill and spend the night  
it's too soon to say goodbye

Seeing you shine by the candlelight  
got me up til it feels so right  
so good that baby i,  
baby i don't want this night to be over  
stay right here, oh, please don't leave  
lets star in our own love scene  
it's too soon to say goodbye
