

Gareth Gates, What My Heart Wants To Say

You're amazing so amazing
Have I told you enough
You're my angel my guardian angel
God knows I've been blessed with you

But if I'll be gone tomorrow
Would you know how deep my love goes
Have I ever told you
You're the one

(Chorus)
If the words don't come my way
Hope you still know
Hope it still shows
If the words don't come my way
Hope you still know
What my heart wants to say

Love so tender I surrender
To this feeling so true
My arfirmation my inspiration
Darling I've been blessed

(Repeat chorus)

But if I'll be gone tomorrow
Would you how deep my love my love goes
If I was gone forever
Would you know how much I care
You make me feel like flying
Got a feeling of emotions
That every time you look at me
You see it in my eyes

(Repeat Chorus)
