

# Gareth Gates, Whenever You Call (With Zoe Birkett)

Love wandered inside  
Stronger than you  
Stronger than I  
And now that it has begun  
We cannot turn back  
We can only turn into one

Chorus:

I won't ever be too far away to feel you  
And I won't hesitate at all  
Whenever you call  
And I'll always remember  
That part of you so tender  
I'll be the one to catch your fall  
Whenever you call

I will breathe for you each day  
Comfort you through all the pain  
Gently kiss your fears away  
You can turn on me and cry  
Always understand that I  
Give you all I have inside

And I won't ever be too far away to feel you  
And I won't hesitate at all  
Whenever you call  
And I'll always remember  
That part of you so tender  
I'll be the one to catch your fall  
Whenever you call
