

Garnett Silk, Fill Us Up With Your Mercy

Let Jah be Praised
While I pray for my blessings to rise (Woh-woh)
Listen

Dem belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy
Dem belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy

Man shall not live
By bread alone (and I know)
But by the words
That proceeding from Jah, Jah
Man shall not live
By bread alone (and I know)
But by the words
That proceeding from Jah, Jah

Dem belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy

Never
Leave us
Alone
Cant you see the way is dark
And we cant make it on our own
I'm kind of happy but till morning
They're looking on but not seeing
They're born with sight and lacking vision
Oh Lord, how I pray for their salvation

Belly full but they're starving
Have a lot an still wanting
Jah without we're empty
Fill us up with your mercy
Belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy

Cant you see
Its Jah we need
And without him
We can't succeed
He's my friend
In times of need
Thank you, Jah
Cuz you revealed

Dem belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy
Dem belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy

Man shall not live
By bread alone (and I know)
But by the words
That proceeding from Jah, Jah
Man shall not live
By bread alone (I know)
But by the words
That proceeding from Jah, Jah

Dem belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy
Dem belly full but they're starving
Have a lot an still wanting
Jah without you we're empty
Fill us up with your mercy
