

# Garnett Silk, Fill Us Up With Your Mercy

Let Jah be Praised  
While I pray for my blessings to rise (Woh-woh)  
Listen

Dem belly full but they&#039;re starving  
Have a lot an still wanting  
Jah without you we&#039;re empty  
Fill us up with your mercy  
Dem belly full but they&#039;re starving  
Have a lot an still wanting  
Jah without you we&#039;re empty  
Fill us up with your mercy

Man shall not live  
By bread alone (and I know)  
But by the words  
That proceeding from Jah, Jah  
Man shall not live  
By bread alone (and I know)  
But by the words  
That proceeding from Jah, Jah

Dem belly full but they&#039;re starving  
Have a lot an still wanting  
Jah without you we&#039;re empty  
Fill us up with your mercy

Never  
Leave us  
Alone  
Cant you see the way is dark  
And we cant make it on our own  
I&#039;m kind of happy but till morning  
They&#039;re looking on but not seeing  
They&#039;re born with sight and lacking vision  
Oh Lord, how I pray for their salvation

Belly full but they&#039;re starving  
Have a lot an still wanting  
Jah without we&#039;re empty  
Fill us up with your mercy  
Belly full but they&#039;re starving  
Have a lot an still wanting  
Jah without you we&#039;re empty  
Fill us up with your mercy

Cant you see  
Its Jah we need  
And without him  
We can&#039;t succeed  
He&#039;s my friend  
In times of need  
Thank you, Jah  
Cuz you revealed

Dem belly full but they&#039;re starving  
Have a lot an still wanting  
Jah without you we&#039;re empty  
Fill us up with your mercy
